Sold to:(If different from Ship to)	

Product Name: HM pectin J-MS Material Number: 121861	Manufacturing Date: Mar 08, 2022 Shelf Life/Best Before Date: Mar 07, 2025 Lot: GR10003458
-----------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------------------

Characteristic	Test Result	Specification	Test Method
Functionality guarantee date	Mar 08, 2023		
HM-SAG, grade USA-SAG	150	140 - 160	0101001
pH of 1% solution	3.3	3.0 - 3.8	0006041
Loss on drying, %	5.2	Not more than 12.0	0006042

The information/data reported on this certificate applies to the lot/batch mentioned. Note that additional digits after the lot/batch number maybe included on the package. This number is for internal use only.
 Each lot of product complies with product specification, test methods and other characteristics as mentioned in the Product Data Sheet.

Functionality guarantee date is the date to which CP Kelco guarantee functionality of the product as specified in the PDS if stored under recommended conditions.
 If date of use is after functionality date but within Shelf Life/Best Before date the product can still be used but functionality may have changed slightly.
